EXPERIENCE

Graphic Designer, *Al Sahaba*   08/2018 – 01/2019
- Advertising Designer at an Advertising Agency - I have designed many storefronts, logos,

business cards and restaurant menus.

Graphic Designer, *Linkyou Inc*   03/2019 – 10/2019
- I have worked on many projects and have successfully developed and improved the designs of

the projects with the rest of the team and the projects have achieved great accomplishments.

Graphic Designer, *almwjat*   05/2021 – 07/2021
I worked on improving and advancing the designs of some projects, and most of the work in this company was in social media designs.

Graphic Designer, *Freelancer*   09/2021 – 02/2022
I was not bound by a specific schedule or working hours. I worked with more than one client with only a specific number of designs, and I worked for some of them for months.

Graphic Designer, *Directline*   04/2023 – 05/2024
I worked on all the company's projects without exception and helped develop the company and its projects, and we achieved great accomplishments together (social media designs - visual identity - advertising designs - and others)

Graphic Designer, *Triple Union*   06/2024 – 11/2025
I worked on different projects and most of my work was on social media designs.

CERTIFICATES

nothing
From my point of view, in the field of design, practical experience is the most important thing, and certificates are meaningless in this field. They are not a measure of anything. You can test me yourself. This is the best measure.
